## PUBLIC HOLIDAYS - 1971

In most States when a Holiday falls on Sunday, the Monday following is observed. Holidays in some States are observed only by common consent, or when appointed by the Governor, and not by legislative enactment.

At the time this book went to press the District of Columbia by Act of Congress, and most States by legislative act, changed the observance of Washington's Birthday, Memorial Day, Columbus Day and Veterans Day to certain Mondays. These changes, where adopted, are given effect in the table below. States where such changes are under legislative consideration are indicated with an asterisk (\*).
